

SHRLR Lifelong Network News
November, 2016

1. Annual Advisory Board
 Homecoming Meeting

Our distinguished Advisory Board held its annual meeting on October 13-14, during which it focused on several key initiatives: using social media in recruiting students, increasing scholarship support, providing “foundational skills” workshops by alumni, and building our lifelong networking capabilities via *LinkedIn*.

Two panels of Board members also shared their experience and insights with all students in open forum exchanges about launching their careers and emerging HR and LR challenges. Highlighting the Board’s visit was our banquet attended by 150 students, faculty, staff and alumni during which we celebrated the Board’s many contributions, and recognized the donors and recipients of named scholarships.

2. Congratulations to New Officers and Members Elected to the Board

Replacing **Chris Fernandez** (General Manager of HR, Microsoft) as Board President is **Garry Randall** (SVP of HR, Walt Disney) and replacing **Steve Fitzgerald** (CHRO, Visteon) as Board Vice President is **Colleen Haley** (Group VP of Operations, Parker-Hannifin). Many thanks to Chris and Steve for their outstanding service!
