

Minor in Leadership of Organizations
College of Social Science
School of Human Resources and Labor Relations
Open to: All MSU students

The minor in Leadership of Organizations aligns with the College of Social Science research focus on people and the environment. The program goal is to provide an interdisciplinary study of the leadership of organizations that prepares to critically assess the effectiveness of leaders in a wide range of organizations (e.g., business, government, and non-profit), and also prepares students to be more effective leaders in their work careers and as citizens.

Students must complete 15-17 credits from the requirements listed below:
