

UNOFFICIAL TRANSFER GUIDE LANSING COMMUNITY COLLEGE

Although LCC students are encouraged to complete the Michigan Transfer Agreement (MTA) before transferring to MSU, it is not required. Visit <https://reg.msu.edu/ROInfo/MITransferAgreement.aspx> to learn more about the MTA and how it can help you transition to MSU. If you are interested in completing the MTA, please review the following document and work with your LCC advisor.

<https://www.lcc.edu/academics/catalog/general-education/index.html>

HRLR is an open major (no application required) and it has been popular with MSU students who have interests in business, leadership/management positions, human resources or labor relations. To learn more about our undergraduate program, visit <https://hrlr.msu.edu/ugrad>.

You can also supplement your HRLR degree with our highly popular Leadership of Organizations minor. Learn more: <https://hrlr.msu.edu/degrees/undergraduate/minor-leadership-of-organizations.html>

If you are interested or would like to learn more, please reach out to HRLR undergraduate advisor Matt Hahnenberg at hahnenb2@msu.edu. He can help you with your transition to MSU.

Whether you are completing the MTA or not, below are some courses that will help aid you in completing degree requirements before transferring to MSU. These are only suggestions, please consult with both an LCC advisor and MSU HRLR advisor Matt Hahnenberg before enrolling at LCC.

LCC Course		MSU Course	
ECON 201	Principles of Economics-Micro	EC 201	Introduction to Microeconomics
ENGL 122	Composition II	WRA 101	Writing as Inquiry
LABR 200	Intro to Labor Relations	HRLR 313	Employment Relations
LABR 204	Employment Law for Managers	HRLR 314	Legal Environment of Work
MATH 119*	Applications for Living	MTH 101	Quantitative Reasoning I
MATH 120*	College Algebra	MTH 103	College Algebra
STAT 215*	Intro to Probability & Stats	STT 201	Statistical Methods
PSYC 200	Intro to Psychology	PSY 101	Introductory Psychology
PSYC 203	Social Psychology	PSY 235	Social Psychology

* The MSU HRLR major requires only 2 math courses to satisfy degree requirements: MTH 101 OR 102 OR MTH 103 AND STT 200/201. Again, please consult MSU HRLR undergraduate advisor Matt Hahnenberg before enrolling at LCC.
