

# ADVANCED TOPICS FOR CERTIFIED HR SPECIALISTS

## OVERVIEW

As always, this year's **Advanced Topics for CHR**s offers a comprehensive and dynamic learning experience that is designed to equip HR professionals with the knowledge and skills needed to thrive in an ever-evolving work environment.

This program covers a wide range of topics, including the latest HR trends that are shaping the future of work. Participants will gain valuable insights into the emerging practices and innovative strategies that HR professionals are using to attract, develop, and retain talent in today's competitive job market.

## TOPICS INCLUDE:

- » Employee Engagement and Retention
- » Menopause and Other Inclusive Policies and Benefits
- » Fostering Creativity
- » AI in the Workplace Update
- » The Summer of the Strike: Implications for HR
- » Mental Health in the Workplace
- » Today's Labor Movement in Context

Overall, this year's Advanced Topics class offers a rich and varied curriculum that addresses the most pressing issues and challenges in the modern workplace. Participants will gain a holistic understanding of the changing world of work and HR's role in empowering positive change in their organizations.
